

ER EURASIAN RADIOLOGY

Dear Members of Executive Committee of Eurasian Radiology Initiative

We hope this email finds you happy and cheerful.

After the official meeting in Vienna held on March 2014, where the members of the executive committee were elected, we have been taking care of the initiative but were not able to conduct any meeting for the board.

We received a notification from ESR indicating they are not willing to provide any venue for our meeting during ECR2015. So, we have decided to get together in Tehran on the occasion of 31st annual meeting of Iranian society of radiology (ICR2015). The official meeting of EARAD will take place on Friday May 8th, from 15 to 19, right after closing ceremony of the ICR2015.

Iranian congress of radiology will host us in this gathering. Four nights free accommodation and economy flight will be covered by the congress and the registration fee will be waived. Details of the travel arrangements will be communicated through ICR2015 office.

If you confirm your participation, then the official documents to help you obtain the visa will be sent to you from Tehran.

Details of the meeting agenda will be sent to you shortly.
Hope to see you in Tehran soon!
